February 28, 2023

To our Hearts & Homes Family and Friends,

It's that time of year again to come out and have some fun on the golf course! Please join us on May 22nd at Norbeck Country Club for our 11th Annual Charity Golf Tournament. Each year we look forward to seeing everyone for a day of appreciation and fun!

As we reflect on the turbulence of the past years, I am filled with excitement and optimism, as these challenges have shown us the power of community and resilience. I'm grateful for the spirit of the staff, our kids and families, and I take great pride in the comradery and connectedness that exists now more than ever. We still have many obstacles to overcome, which we work towards each day, and your support is vital to ensuring that we keep moving forward.

This year we have grown our foster care program substantially, with families more engaged and interactive, creating a new sense of energy. We have 3 kids who are going to be adopted and have a forever home, which is an incredible example of the value of our foster care program! Group homes are flourishing with new activities, home makeovers by various volunteers, and pet therapy to enrich our clinical services. Our staff is embarking on professional training, and our mother baby program continues to thrive!

We have persevered because of your generosity and kindness! Come out and meet our staff and families and see firsthand the caring, compassion and dedication that makes Hearts and Homes for Youth an outstanding non-profit!

Look forward to seeing you soon!

Chloe Bernardi, LCSW-C
President/CEO
